

Your company's workers' compensation insurance carrier is The New York State Insurance Fund (NYSIF) which has a contract with CVS Caremark, a pharmacy benefits manager (PBM) that offers convenient prescription filling services.

NYSIF has implemented an instant enrollment or "short-fill" service with CVS Caremark. The new service allows injured workers immediate acceptance by any pharmacy in the CareComp pharmacy network administered by CVS Caremark. Although New York law does not require us to provide this benefit, we have elected to provide a limited number of cost-effective medication benefits for new claims filed for **work-related injuries or illnesses** in order to help injured workers get through the first, difficult days after an injury and before the claim is accepted.

When an employee sustains a work-related injury, the form on the other side of this page (Workers' Compensation Temporary Prescription Services ID) may be used to fill prescriptions at any participating pharmacy in the CareComp Network. It makes **getting prescriptions for your work-related injury** very easy.

Step 1: Employer fills in:

- Employer's Name
- Policy Number

Step 2: Injured employee fills in his/her:

- Social Security Number
- Date of Injury
- Date of Birth
- Name
- Mailing Address

Step 3: Injured employee brings to pharmacy:

- Completed temporary ID form
- Prescription(s) for work-related injury

Step 4: Within 10 days of the New York State Insurance Fund's confirmation of the accident, the injured employee will receive a packet from CVS Caremark. The packet will contain a permanent ID card that should be used when filling prescriptions for the work-related injury.

Note: Injured workers can quickly find local participating pharmacies by visiting: www.wcrxpharmacylocator.com or by calling the CVS Caremark 24-hour patient care hotline at 1-866-493-1640.
